

KREIVA

1 Feb 21 – 14 Feb 21

Kreiva is the annual cultural festival of Indian Institute of Information Technology, Vadodara. Kreiva serves as a platform for students to show their talents in performing arts and aesthetic arts, where students can collaborate and team up with other students to bring out the best in them.

The Annual Cultural Festival of IIIT Vadodara gets its name from the Esperanto word "Kreiva", meaning "Creativity". Since its inception in 2016 as an intra-institute fest in 2016, it has consistently been a huge platform for individuals to showcase their talents. A spectacular extravaganza, Kreiva is home to expression through art, music, drama, dance and culture.

Kreiva 2021 which was conducted from 31st January 2021 to 14th February 2021 was IIITV's first virtual fest. IIITV's first inter institute cultural fest was a very grandiose event. From amazing acting competitions like Abhinay to singing competition Rythcore, from photography contest InFlash to duet/solo dance competition Kahani and from painting competition Sthentic to graphic designing contest Avatar, We had over 1150 submission from college students all over India.

Due to the various creative competitions and fun events, the event was a huge success and is the stepping stone for the future events.
